Panel Design for the Stall

Case Study

Event stall design and other customer interface designs developed for Bohemian Crystal Company for the participation in an industry trade fair.

The designs included the panel designs for the stall, a quiz questionnaire and the brochure which was distributed to visitors at the stall.

Exemplar has the capability to implement event or exhibition stalls in any city in India where in we can provide you with the stall design and implementation at the site. Exemplar can also make audio visual presentations that can run on LCD screens or projectors and can be shown during the event.
